

Ms. Rebeca Martinez
Lower School Teacher Assistant (Grades 2–3)

Ms. Rebeca Martinez has faithfully served as a Lower School Teacher Assistant at FCA since 2022, supporting both teachers and students with consistency, care, and a servant's heart.

While serving at FCA, Ms. Martinez felt called by the Lord to continue her education and pursue a degree in Elementary Education through Gracelyn University. She is currently working toward completing her degree while maintaining excellent academic standing.

Ms. Martinez loves serving teachers and students in any way she can and strives to approach her work as service unto the Lord. Her quiet faithfulness, dedication, and willingness to help behind the scenes make a meaningful impact throughout the school community each day.

Looking ahead, Ms. Martinez hopes to one day step into her own classroom at FCA, continuing to invest in students while living out her calling in Christian education. FCA is grateful for her servant's heart, commitment to growth, and dedication to the students and staff she supports each day.
