Middle School English Teacher

Mrs. Ayla Streiff serves as a Middle School English Teacher at FCA and is passionate about helping students develop strong communication skills while cultivating a lifelong love of reading and learning.

Mrs. Streiff holds a Bachelor of Arts in English for Secondary Education from Grand Canyon University. She maintains both Alaska and Arizona Teaching Certifications and holds an English Language Learner (ELL) Endorsement.

Mrs. Streiff began her teaching career in 2026 and joined FCA the same year. Prior to entering the classroom, she served in a variety of leadership and mentoring roles through children's ministry, youth athletics, and community service. She is excited to invest in students both academically and personally while becoming an active part of the FCA community.

Faith is central to Mrs. Streiff's approach to teaching and daily life. She strives to model Christ's love and leadership while encouraging students to grow in both knowledge and character. One of her favorite aspects of Christian education is the opportunity to have meaningful conversations about Jesus in a safe and supportive environment.

Mrs. Streiff hopes to inspire students to develop a passion for English and literature while helping them grow academically and spiritually. Originally from Alaska, she enjoys reading, traveling, learning new things, weightlifting, and spending time with her family. She and her husband, who is her high school sweetheart, have two children. Guided by 2 Corinthians 5:7, Mrs. Streiff seeks to walk by faith and encourage others to do the same.
