

Mrs. Julia Bauer
Marketing & Communications Coordinator

Mrs. Julia Bauer serves as FCA's Marketing & Communications Coordinator, helping share the story of what God is doing throughout the school community. She first joined the FCA family in 2020 when her youngest child began PK and faithfully served on the FCA School Council from 2023–2025. In 2025, the Lord led her into a staff role, first serving as Office Manager before transitioning into her current position.

Mrs. Bauer holds a Bachelor of Science in Legal Studies from Florida Gulf Coast University. She began her career as a paralegal in 2005 and transitioned into corporate paralegal work in 2018. Before joining the FCA staff, she spent more than two decades in the legal field, developing strong skills in organization, communication, project management, and strategic coordination.

Throughout her life, Mrs. Bauer has enjoyed serving children and families in a variety of ways. She and her husband previously served as licensed foster parents, opening their home to many local children in need. She has also served as a group leader at Family Church, ministering to elementary students and helping nurture their faith.

Mrs. Bauer has a deep love for Family Christian Academy and Family Church. She is passionate about sharing the Gospel and enjoys witnessing faith take root in the lives of students. The warm, caring, family-like culture of FCA is something she treasures deeply.
