

Ms. Cheryl Hesser
Middle School Mathematics Teacher

Ms. Cheryl Hesser teaches Middle School Mathematics for grades 6–8 as well as Life & Study Skills classes at FCA. She began her teaching career in 2009 and has faithfully served the FCA community since that time. She is passionate about helping middle school students grow both academically and spiritually.

Ms. Hesser holds a Bachelor of Science degree in Middle School Mathematics from Western Governors University and has also attended the State College of Florida, Venice. She maintains ACSI Secondary Education Teacher Certification.

Ms. Hesser loves combining her passion for mathematics with her heart for students. She enjoys building meaningful relationships with middle schoolers while encouraging them to grow in confidence, character, and academic success.

Through both academic instruction and personal encouragement, Ms. Hesser strives to help students develop perseverance, responsibility, and a strong foundation for future success.

FCA is grateful for Ms. Hesser's dedication to academic excellence and her commitment to guiding students in both learning and faith.
