Mrs. Click holds a Bachelor of Arts in English from Pensacola Christian College and maintains ACSI Secondary Teacher Certification.

Mrs. Click began her teaching career in 2012 and joined FCA in 2021. She is passionate about helping students grow into confident thinkers and communicators while discovering their God-given potential through literature, writing, and grammar. She strives to create a classroom environment where students feel safe to think deeply, communicate truth with grace, and grow academically, socially, and spiritually.

Faith and biblical principles are woven throughout Mrs. Click's teaching. Through literature studies and classroom discussions, she encourages students to pursue wisdom, truth, and Christ-centered character in both their learning and daily lives.

Mrs. Click's own faith journey has deeply shaped her life and teaching. She loves seeing how God's Word continually reveals new truth and understanding as believers mature in both faith and learning. FCA is grateful for the wisdom, encouragement, and leadership she brings to high school students each day.
