5th Grade Bible, Language Arts, & History Teacher

Mrs. Jan Stephens teaches 5th Grade Bible, Language Arts, and History at FCA and brings both experience and enthusiasm to the upper elementary classroom. She is passionate about helping students grow academically while developing strong critical thinking skills rooted in biblical truth.

Mrs. Stephens holds a Bachelor of Science in Political Science from Western Michigan University and has completed post-graduate Master of Education coursework through Ferris State University. She also maintains Florida Certification, ACSI Elementary Education Teacher Certification, and Reading Endorsement certification.

Mrs. Stephens began her teaching career in 2008 and joined FCA in 2023. She loves helping students think beyond the words on a page and especially enjoys watching students experience those meaningful “aha” moments when deeper understanding begins to develop.

Faith is thoughtfully integrated throughout Mrs. Stephens’ classroom discussions. Whether examining historical events through a biblical lens or discussing character choices in literature, she encourages students to connect academic learning with biblical truth and Christ-centered character.

Outside the classroom, Mrs. Stephens enjoys reading and spending time camping in the Blue Ridge Mountains with her husband. They are also proud Chicago Bears fans.
