Ann Boucher is a third-grade teacher at Family Christian Academy. She has previously taught kindergarten through fifth grade. She graduated from the University of Southern Maine Suma Cum Laude, with a Master's Degree in Teaching and Learning. She is certified by the State of Florida for grades K-5. She also has a Special Education, English as a Second Language, and Reading Endorsement.

Ann lived in Maine before moving to Florida in 2010. She is married and has three adult children, four grandchildren, two stepsons, and a foster son. She enjoys walking, puzzles, crafts, and cooking. She moved to Florida in 2010.

She and her husband were led to Bayside Community Church after moving to Florida. At that time, they both made the decision to accept Christ as their Lord and Savior. At that time their church was meeting at Bradenton Christian School, and she thought what a blessing it would be to work at a Christian school. She prayed about it and in God's time, she was led to FCA. She feels blessed to be a teacher at FCA.

Ann believes in a student-centered classroom, where students learn to be part of a team that works together to build a cohesive group of learners. She believes that God created each child perfectly and she allows her students to be their own expressive, intelligent and beautiful selves. She believes that learning should be engaging and include fun activities like games and songs. At the same time, she believes that students learn best when instruction is consistent, predictable, and structured.
