

Mrs. Caitlin Rivas
Preschool Teacher (3-Year-Olds)

Mrs. Caitlin Rivas teaches Preschool for three-year-olds at FCA and is passionate about helping young children feel deeply loved, safe, and encouraged as they begin their educational journey.

Mrs. Rivas holds a Child Development Associate (CDA) credential and is continuing her education through Gracelyn University in Early Childhood Education.

Mrs. Rivas joined the FCA family in 2023 and began her teaching career in 2025. Prior to entering the classroom, she faithfully served the school community in other capacities while building relationships with students and families. She finds great joy in watching children grow, learn, and develop in their own unique and special ways.

Faith is intentionally woven throughout each school day in Mrs. Rivas' classroom. Through prayer, worship songs, Bible stories, and everyday moments of kindness and encouragement, students are taught how to love others the way Jesus loves us.

Mrs. Rivas treasures being part of the FCA family and feels thankful that God has called her to serve in a school where Christ remains at the center of all things.
