

Mrs. Kelly Drawdy
2nd Grade Teacher

Mrs. Kelly Drawdy serves as FCA's 2nd grade teacher and has faithfully served at Family Christian Academy since beginning her teaching career in 2007. She is passionate about creating a classroom environment where every student feels welcomed, loved, and valued while growing academically and spiritually.

Mrs. Drawdy holds a Bachelor of Science degree in Marketing and International Business from Florida Atlantic University and has also attended the State College of Florida, Manatee. She maintains ACSI Elementary Education Teacher Certification.

Faith is woven throughout every part of Mrs. Drawdy's classroom and teaching approach. She enjoys reading Scripture with her students and helping them apply God's Word to their daily lives. Through classroom discussions, teachable moments, and peer interactions, she encourages students to view each subject through a Christian worldview while keeping Christ at the center of all they do.

Mrs. Drawdy loves seeing the excitement students experience when they grasp a new concept and gain confidence in their learning. Outside the classroom, she enjoys gardening, traveling to new places, and organizing. FCA is grateful for her many years of faithful service and dedication to nurturing students both academically and spiritually.
