

Mrs. Mary Silva
Office Manager

Mrs. Mary Silva serves as FCA's Office Manager and considers her role at the school to be both a calling and a ministry. She faithfully supports students, families, and staff each day through care, kindness, and service.

Mrs. Silva began her career in healthcare in 2005 and earned her Certified Clinical Medical Assistant (CCMA) credential in 2007. Throughout her professional career, she completed various college courses with an emphasis in psychology and also attended nursing school.

Her years working in medical offices helped shape her ability to connect with others through empathy, compassion, and understanding. Working alongside physicians who valued teaching and mentorship also inspired in Mrs. Silva a lifelong love for learning and helping others grow.

Mrs. Silva believes working at FCA is far more than a job, it is an opportunity to reflect the love of Christ to students and families each day. She shares, "Working at FCA has truly become my ministry. I feel privileged and blessed to be able to show the love of Christ to students and their families each day."

FCA is grateful for Mrs. Silva's servant's heart, dedication, and the care she brings to the school community each day.
