

Coach Sarah Morales
Physical Education Teacher

Coach Sarah serves as a Physical Education teacher at FCA and is passionate about helping students grow both physically and spiritually through athletics and teamwork.

Coach Sarah studied Sports Management through Liberty University and has pursued ACSI Teacher Certification as part of her commitment to Christian education.

Coach Sarah began teaching full-time in 2025 after previously serving as a substitute teacher at FCA. In addition to her classroom experience, she brings a strong background in coaching and has faithfully served in Sunday School and Youth Group ministry for many years.

Coach Sarah loves the way sports can illustrate the Gospel and biblical principles. Through teamwork, sacrifice, discipline, and sportsmanship, she encourages students to develop Christ-like character both on and off the field.

Faith is intentionally integrated throughout Coach Sarah's teaching and coaching philosophy. She uses athletics as an opportunity to connect lessons from sports to spiritual truths while encouraging students to live out their faith through perseverance, discipline, and service to others as part of a team.
