4th Grade Teacher

Mrs. Angela Roth serves as FCA's 4th Grade Teacher and is passionate about helping students grow academically, spiritually, and personally through Christ-centered education.

Mrs. Roth holds a Bachelor of Arts in Elementary Education from Saint Peter's University, along with certifications as a Teacher of Preschool and a Teacher of Reading. She also maintains ACSI Elementary Teacher Certification.

Mrs. Roth joined FCA in 2020 and brings many years of experience in elementary education to her role. She is committed to creating a supportive and engaging learning environment where students are encouraged to grow in confidence, character, and academic excellence.

Mrs. Roth strives to cultivate both a love for God and a love for learning. She encourages students to think critically, demonstrate kindness and compassion, and develop a biblical worldview that guides their daily lives.

Faith is woven throughout her teaching through Scripture, prayer, and everyday opportunities to model Christ's love, grace, forgiveness, and service. She desires for her students to understand that faith is not simply something they learn about, but something they live out each day.

Guided by a heart for Christian education, Mrs. Roth's mission is to nurture curious minds, strengthen faith, and inspire students to use their God-given gifts to serve others and make a positive impact in the world.
