

Ms. Danielle Felix
5th Grade Bible, Science, and Math Teacher

Ms. Danielle Felix teaches 5th Grade Bible, Science, and Math at FCA and brings a passion for both academic growth and spiritual development to her classroom.

Ms. Felix holds a Bachelor of Arts in Cultural Anthropology from the University of Hawaii and a Master of Arts in Elementary Education from the University of Phoenix.

Ms. Felix began her teaching career in 2004 and joined FCA in 2017. She is passionate about cultivating a genuine love for learning in her students. She encourages students to think critically, communicate clearly, and grow confidently in their abilities while creating a classroom environment that supports both academic success and personal growth.

Faith is intentionally woven throughout Ms. Felix's teaching and daily interactions with students. She strives to point students to Jesus by helping them connect biblical principles to everyday life through meaningful conversations, discipleship, and Christ-centered instruction. Whether in the classroom or on the playground, she encourages students to hear, obey, and share the Gospel.

Her greatest joy is watching students grow closer to Christ and develop into faithful followers of Him.
