

Mrs. Lyubov Kabardin
Food Service Assistant

Mrs. Lyubov Kabardin serves as a Food Service Assistant at FCA and joined the school in August 2025. She enjoys serving students and staff each day while helping create a caring and encouraging environment within the school community.

Before joining FCA, Mrs. Kabardin served in Awana Club as both a leader and teacher. Through that ministry experience, she worked closely with children by teaching Bible lessons, leading activities, and encouraging students in their faith.

Mrs. Kabardin's heart for FCA is rooted in her love for working with children and serving others. She finds joy in helping nourish students so they are energized and prepared to grow academically and spiritually throughout the school day.

One of Mrs. Kabardin's greatest blessings is seeing the smiles of students as they come through the lunch line each day. FCA is thankful for her servant's heart and the care she shows to the school community.
